 - An interactive 3D game made with 'Unity 3D' for android and windows.
- Twitter-Bot (11/2019 – 12/2019)**
 - A Bot that performs twitter functions automatically and accordingly.
- Text analysis in C (10/2018 – 11/2018)**
 - Use for finding Levenshtein Distance and text prediction.

WORK EXPERIENCE

- Data Science Capstone Project Lead**
IBM
01/2020 – 02/2020
 - Tasks**
 - Find a daily life problem & solve it with data science.
- INFO-HUB Project Manager**
Chandigarh University
12/2019 – Present
 - Leading a team as the project manager at Chandigarh University.**
 - Achievements and Tasks**
 - Project Leader
 - Site Deployment
 - Front End and Back End
- Campus Ambassador**
Adream E-Expert Private Limited
08/2019 – 10/2019

TECHNICAL SKILLS

- Python 3
- Scipy
- Scikit-Learn
- Geopy
- Matplotlib
- Numpy
- Pandas
- Seaborn
- IBM Watson
- SQL
- Java
- Django
- Android
- Web Dev
- GIT

ACHIEVEMENTS

- IBM Data Science Professional Badge**
Authorized by IBM
- Applied Data Science Specialist Badge**
Authorized by IBM
- Applied Data Science Capstone**
Authorized by IBM
- Hacker Rank C++ Gold Level**
by hackerrank.com
- IEO 2019**
First round cleared

CERTIFICATES

- Advanced Google Analytics**
Certified by Google
- Machine Learning With Python**
Certified by IBM
- Python for Data Science**
Certified by IIT Madras
- Data Analysis with Python**
Certified by IBM
- Databases and SQL for Data Science**
Issued by Coursera and authorised by IBM

LANGUAGES

- English
Professional Working Proficiency
- Hindi
Full Professional Proficiency

INTERESTS

- Football
- Basketball
- Sketching
- Competitive Programming
- Cricket
- Snooker
